The lyrics to "L'il Liza Jane" from Geocities:

Liza Jane has gone to camp
 Little Liza Jane
 Two pair of gumboots and a lamp
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane

Liza Jane has pitched her tent
 Little Liza Jane
 She thought by pitch 'twas tar they meant
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane

Liza Jane did colours today
 Little Liza Jane
 The wind it blew them all away
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane

Liza Jane was chopping wood
 Little Liza Jane
 The head of the axe is gone for good
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane

Liza Jane made Irish stew
 Little Liza Jane
 We had dinner by half part two
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane

Liza Jane said never fear
 Little Liza Jane
 I'm coming back to camp next year
 Little Liza Jane
 Oh Little Liza, Little Liza Jane
 Oh Little Liza, Little Liza Jane
