A Barlow Knife is a type of folding pocket knife that features double or single blades that open at one end only. The knife-style bears the name of a man named Barlow of Sheffield, England, one of the earliest and most famous makers.

Lyrics:

**I been livin' here all my life,
All I got is a Barlow Knife;
Buck horn handle and a Barlow blade,
Best dang knife that ever was made.**

**Worked in the cotton mill all my life,
Nothin' to show but a Barlow Knife.
Barlow knife and a Barlow blade,
Best ol' knife that ever was made.**
